

EXTENSIONS OF REMARKS

HONORING MR. RICHARD MORRIS BIGGS

HON. PAT FALLON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. FALLON. Madam Speaker, I rise today to recognize the honorable life and work of a beloved Texan, Mr. Richard Morris Biggs. Mr. Biggs passed away on February 14, 2021, after a full life of almost 77 years.

Richard Biggs was born in Garden City, Michigan on February 15, 1944 to the late Albert and Mae Smallwood Biggs. One of Mr. Biggs' proudest moments was playing basketball for Weatherford College and East Texas State University. He was the owner of Autumn Homes, and held an office with the Realtor Association. Richard is survived by his wife, Helen Biggs; children, Brenna Smith and husband Dave Jr., Brian Biggs and wife Karen and Anissa Smith and husband James; 10 grandchildren and 10 great-grandchildren. He will be dearly missed.

Madam Speaker, I ask my colleagues to join me in honoring the life of Mr. Richard Biggs. His life was one of service and love for his family and friends. He will be missed by all he came across, and his legacy will be remembered for years to come.

PERSONAL EXPLANATION

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. BERGMAN. Madam Speaker, I was unexpectedly detained during vote proceedings. Had I been present, I would have voted: YEA on Roll Call No. 61, and NAY on Roll Call No. 62.

RECOGNIZING BART WEISMAN AND HIS SERVICE TO THE SOUTH FLORIDA COMMUNITY

HON. THEODORE E. DEUTCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. DEUTCH. Madam Speaker, today, I rise to honor Barton David Weisman for his years of service to our country and the South Florida community. Barton, known by most as Bart, was born in 1927 in Philadelphia, Pennsylvania and moved to South Florida in 1976 where he currently resides with his wife Shirley. They have two children and five grandchildren who keep them busy in addition to their successful business and philanthropic activities.

In the midst of World War II, Bart enrolled in the ROTC program at Lehigh University and

later joined the New York National Guard. Bart was deployed to Korea as part of a medical unit with Company K, 47th Infantry Regiment which saw extensive combat. Bart was promoted to 1st Lieutenant and received numerous awards for his military service, including the Army of Occupation Medal for service in Japan, the Korean Service Medal, the UN Service Ribbon, and the Combat Medical Badge.

Following his military career, Bart started a company providing long term health care services to children and seniors. The company grew from what was originally one nursing home in Bristol, Pennsylvania to operating facilities in New Jersey and Florida. Bart's company continues to be a family-run business with both his son and grandson working there.

Bart and Shirley have dedicated themselves to sharing their success with their community through various philanthropic activities. They focus much of their efforts with Jewish Family Services and their most recent endeavor is the Shirley and Barton Weisman Delray Community and Senior Center in Delray Beach, Florida which provides an array of vital services and resources to the area's seniors.

Madam Speaker, I ask my colleagues to join me in recognizing Bart Weisman, and his service to the South Florida community and Florida's 22nd Congressional District.

Over the past year they have faced challenges most of us cannot even imagine. They have shown incredible resolve in the face of adversity. They have shown us all how to seek positivity and hope in each day as we weather the storms that come our way.

I couldn't be more thankful to represent the incredible people across South Dakota and all over the nation who work hard each day, not for fame, not for recognition or for money, but for the betterment of their communities. This is what makes America strong. I am grateful for the opportunity to recognize these hard-working individuals.

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. BRADY. Madam Speaker, I apologize for missing these votes, I was unable to be present. Had I been present, I would have voted NAY on Roll Call No. 63 and NAY on Roll Call No. 64.

WILLIAM (BILL) ALEXANDER
MCKEE

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize William (Bill) Alexander McKee of Golden, Colorado who passed away on February 7, 2021.

Bill was born in Lake Forest, Illinois and grew up in Barrington, Illinois. He graduated from Barrington High School in 1970 and went on to graduate from the University of Denver in 1974 with a B.A. in Political Science. In 1977, he received a Masters of Urban Affairs with an emphasis in Budgeting and Administration from the University of Colorado.

In 1979, Bill began his career with the Colorado Department of Health and Environment in the Water Quality Division. During his 26 years at the department, he worked to protect the rivers, lakes and streams of Colorado. Whether working with grants, permits, regional planning, nonpoint source pollution or as the Upper Colorado Watershed coordinator, Bill realized water pollution was about all of us working together and influenced how various jurisdictions were expected to comply with the Clean Water Act.

Bill met his wife Suzy through common friends in 1978. They married in 1979 at Pine Valley Ranch in Pine, Colorado and moved to Golden, Colo. soon thereafter. During his 38 years in Golden, Bill was constantly working to

improve his community. Bill embraced Golden, as he did water. He served from 1988 to 1996 on the Golden Planning Commission and was elected to the Golden City Council from 1996 to 2004. Bill's time on both city council and the planning commission coincided with important changes in the history of Golden. Alongside fellow city leaders, Bill worked to revitalize downtown and bring more business and tourism to Golden. Many of Bill's lasting contributions were to the boards and organizations where he served, such as his tenure as president of the Friends of the Golden History Museum and Park. Bill helped shepherd this organization from a volunteer organization to the professionally run museum it is today. For many years, Bill also volunteered for the Leadership Golden Alumni Association Board.

In 2003, Bill joined the board of the Colorado Watershed Assembly. He served on the board for 10 years and as the chair for four years. Bill helped grow the yearly Sustaining Colorado's Watershed Conference into a top-notch multi-day event. He was a guiding force, a natural leader, and he saw the value of a statewide conference for watershed groups, private and government sectors, and concerned citizens to gather and share their mission of ensuring clean water for all Coloradans.

Bill loved spending time with his family, gathering with close friends, hiking with his faithful dog Grace, attending local ribbon cuttings, attending meetings, attending more meetings, following our local sports teams, reading the Denver Post daily, skiing the steeps, golfing, biking, playing the guitar and occasionally his flute, making the best spaghetti sauce ever, enjoying quality scotch while smoking a cigar around the fire, whistling, singing to the radio, spending time in the mountains of Colorado, and traveling.

Bill was a devoted husband and loving father and grandfather. He is survived by his wife, Suzy McKee, their children Meredith McKee, Gregory (Kari Hogan McKee); and grandchildren, Frances, Ace, and Mac McKee. I appreciate and thank him for a lifetime of service to our community.

INTRODUCTION OF THE NATIONAL CHILDREN'S MUSEUM ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Ms. NORTON. Madam Speaker, today, I rise to introduce the National Children's Museum Act, which would require the General Services Administration (GSA) to enter into a cooperative agreement with the National Children's Museum (NCM), a congressionally designated museum, to allow the museum to remain in the Ronald Reagan Building and International Trade Center, a federally owned building in the nation's capital, without charge for the duration of its existing lease. The National Building Museum operates under such an agreement. Last Congress, on November 17, 2020, the House passed this bill by voice vote.

This bill would allow the NCM, the nation's first combination children's museum and science center, to remain centrally located in the nation's capital for the benefit of the mil-

lions who visit and live in the District and the national capital region (NCR). Originally named the Capital Children's Museum, the NCM was a staple in D.C. for decades. The institution opened in 1974 in a former convent on H Street Northeast.

In 2003, Congress recognized the immense value in having a children's museum in D.C. and officially designated the museum as the NCM. Now, the museum is bringing new and innovative science, technology, engineering, arts and math (STEAM) exhibits to the nation's capital, building on more than 30 years of educating D.C. children and families. Despite the many benefits it brings to the nation's capital, the NCM is an outlier. It is the only congressionally designated museum expected to pay rent in a federal building.

Importantly, this bill would relieve concerns about the ability of the NCM to survive the coronavirus pandemic. When the museum reopened last year in the Ronald Reagan Building and International Trade Center, it immediately attracted many visitors from throughout the NCR and the nation, but was forced by the coronavirus pandemic to close 18 days later. At this time, the museum remains closed until further notice. Still, the museum has continued to offer valuable STEAM resources to our children as they navigate these new challenging learning circumstances, including over 75 at-home experiment and project video programs, monthly podcasts, virtual field trips and a Climate Action Heroes Digital Exhibit, among other resources.

This bill would allow the NCM to remain centrally located in the nation's capital for the benefit of the millions who visit and live in the District and the NCR.

I strongly urge my colleagues to support this bill.

HONORING CARLEY DEERY AS IOWAN OF THE WEEK

HON. CYNTHIA AXNE

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mrs. AXNE. Madam Speaker, I rise today to honor Carley Deery from Carlisle High School as Iowan of the Week. Carley is a senior at Carlisle High School with a passion for animals. Her father David Deery is a senior fire medic at Des Moines Fire Station No. 3. He told his daughter a story of resuscitating a dog from a house fire using a pet oxygen mask. Carley soon learned of the lack of resources in having these specialized masks available to first responders in Polk County. This story and her passion for animals inspired her to launch a campaign to purchase much-needed pet oxygen masks for area ambulances.

Carley immediately went to work with her family: baking and selling dog treats, creating an online fundraiser and ultimately teaming up with the ARL to meet her goal of every ambulance in the metro area having a pet oxygen mask. Recently, she was able to present a check for more than \$2,000 to help make the goal a reality. Her work didn't stop there. Carley has continued her effort of not only masks, but assisting the ARL in providing housing, food and medical care to animals who need assistance after a disaster.

As an animal lover myself Carley's story is inspiring and a testament to how important our

animals and pets are to our community. I am so happy to hear that the 47 masks that Carley helped raise the funds for will benefit nine different agencies with 22 of them staying right here in Des Moines. I am proud to represent constituents like Carley who truly exemplify what it means to be an Iowan. I will continue to fight in Congress for communities like Carley's to ensure they have the support and voice they deserve.

HONORING ROBERT MEEK JR.

HON. VIRGINIA FOXX

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Ms. FOXX. Madam Speaker, I rise today to recognize Robert Meek Jr. who has served as my District Director since 2016.

To put it simply, Bob is a man of both conviction and courage. No matter the duty, he executes it with poise, a strong dedication to service, and with an abiding gratitude for those he works alongside.

As a retired Colonel of the U.S. Army Reserve, as the son of a Second Lieutenant who served as a B-25 Mitchell bomber copilot in World War II, and father of 3 military sons, Bob has dedicated his life not only to being an advocate for military families, but also serving as a strong voice for servicemembers both past and present.

From traveling thousands of miles across North Carolina's Fifth District with me to meeting with countless scores of proud North Carolinians who are proud to live there, Bob has always acted with a servant's heart, one of his many features that everyone admires.

I speak for both myself and the staff when I say working alongside Bob has been an honor. As he enters this new phase of his life, may God continue to bless him, his family, and the lives of everyone he will continue to serve.

IN GRATITUDE TO BLAIR BOWMAN

HON. HALEY M. STEVENS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Ms. STEVENS. Madam Speaker, I rise today to recognize an exceptional constituent and community leader in Michigan's 11th District, Mr. Blair Bowman.

Mr. Bowman is a lifelong Michigander who graduated from Farmington High School in Farmington, Michigan, obtained his undergraduate degree from Michigan State University and law degree from University of Detroit School of Law.

In 2005, after following in his father's footsteps by entering the real estate brokerage and development field, he built a facility in Novi, Michigan, which operates today as the Suburban Collection Showplace. This is one of a few examples in the country of a truly privately owned and operated convention and exposition center, with nearly two million people passing through annually.

When the COVID-19 pandemic struck, Mr. Bowman wasted no time in offering his center to be transformed into an alternative care facil-

ity for COVID-19 patients. The U.S. Army Corps of Engineers, Detroit District led the 250,000 square foot conversion of the Suburban Collection Showplace convention center into a medical facility in 15 days, where they created a 250-bed space for patients from area hospitals.

Now, the previous regional field hospital is hosting one of Oakland County's COVID-19 vaccination clinics, helping to defeat this virus once and for all.

Madam Speaker, I ask my colleagues to join me in celebrating the outstanding contributions Mr. Bowman has made to his community, and to our country at large.

PERSONAL EXPLANATION

HON. BRAD R. WENSTRUP

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. WENSTRUP. Madam Speaker, due to previously scheduled travel, I was unable to vote in person in the House of Representatives on March 8, 2021. On that day, I missed two recorded votes. On Roll Call No. 63, had I been present, I would have voted "Nay." On Roll Call No. 64, had I been present, I would have voted "Nay."

HONORING PAUL JEWELL

HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. GRIFFITH. Madam Speaker, I offer these remarks in honor of Paul Wesley Jewell of Salem, Virginia, who passed away on February 17, 2021 at the age of 79. Mr. Jewell was a photographer by profession who actively participated in Salem's community organizations.

Mr. Jewell was born on December 28, 1941 in Roanoke County to Curtis W. and Ethel Starkey Jewell. As a young man, he graduated from Andrew Lewis High School, excelled at athletics, and belonged to the Boy Scouts of America. He made the community he grew up in his lifelong home. As a professional photographer, he owned several studios, including the Deyerle Studio for over 25 years. After retiring from professional photography, Mr. Jewell remained active in the Salem area as a member of the First United Methodist Church of Salem and of Taylor Masonic Lodge No. 23 and as a funeral assistant at John M. Oakey & Son Funeral Home.

Mr. Jewell is survived by son Paul "Matt" Jewell and wife, Peggy; daughters Beth Kennedy and Susan Grimberg and her husband John; granddaughters Cierra McDaniel and husband Jared, Kristen Porter and husband Josh, Kaitlyn Duhon and husband Matt, Kyndsey Cook, Kendall Cook, Gracie Grimberg, and Olivia Grimberg; and great-grandchildren Aria McDaniel, James Duhon, Avery Duhon, and Mason Duhon. I would like to extend to them my condolences.

THANK YOU SKIP MARANEY

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. WILSON of South Carolina. Madam Speaker, I will always treasure the encouragement of Skip Maraney during my service in Congress.

For many years, he was the mainstay of the Breakfast Club on Wednesday at Longworth Cafeteria for members of Congress, Capitol Police officers, and staffers.

I appreciate him inviting me to co-perform with Delegate ELEANOR HOLMES NORTON in the Hexagon Theatre political satirical musical comedy revue.

Skip is recognized as an Honorary Resident of South Carolina from over twenty years of vacationing at Hilton Head Island.

The following is an official announcement of his upcoming retirement issued by the National Star Route Mail Contractors Association:

JOHN V. "SKIP" MARANEY

Skip Maraney is retiring after 52 years of employment as the executive director and lobbyist with the National Star Route Mail Contractors Association. The Association's office is located at 325 East Capitol Street Washington, D.C.

Skip will be honored for his steadfast and loyal service by the Board of Directors of the Association at a regional meeting of members on April 19, 2021, in Baltimore, Md.

Skip is the second executive director of the Association. The Association is made up of over 500 members across the United States and U.S. territories, and the Association represents approximately 1,800 contracts to the United Postal Service.

Members of the Association are independent business owners who contract with the United States Postal Service to haul mail/deliver mail in areas of the United States where the Postal Service doesn't deliver. In the rural areas of the county the Star Route contractors deliver what is referred to as the last mile.

Skip has outlasted 14 Postmaster Generals, nine Presidential Administrations, countless members of Congress, and countless Postal Service transportation managers. Skip has attended countless hearings on matters of postal reform legislation held by the Committee on Oversight and Government Reform and Committee on Ways and Means. Skip is known for expertise on all legislative matters relating to the Postal Service.

Skip is a true shoe-leather lobbyist. He believes meeting a member of Congress or a committee staffer in person instead of exchanging emails, texting, or talking over the phone. He claims it is always harder to say "no" to a person when talking face to face.

Skip's genuine smile and firm handshake made him distinguishable among the staff and visitors in the halls of Congress. Over the years Skip was often been mistaken as a former member of Congress.

HONORING IDA SHANOSKI COVUCCI

HON. DONALD S. BEYER, JR.

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. BEYER. Madam Speaker, it is with great pleasure that I recognize Ida Shanoski Covucci and her upcoming 100th birthday.

As a daughter of Polish immigrants, Mrs. Shanoski Covucci was born and raised in Scranton, PA. She was married to her husband George for more than 50 years and has three sons, 10 grandchildren, and 9 great-grandchildren. During her life, she served honorably in the Women's Army Corps during World War II. Though this past year she contracted COVID-19, being the strong woman she is, she recovered quickly.

Mrs. Shanoski Covucci, a remarkable woman, will be celebrating her 100th birthday on March 15th.

Please join me in honoring Ida Shanoski Covucci, may we learn from her experiences.

IN RECOGNITION REV. DR.
BARBARA CAIN

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. WITTMAN. Madam Speaker, I rise today to recognize the Rev. Dr. Barbara Cain for her service as the Moderator of the Northern Neck Baptist Association, Inc. Founded in 1877, the NNBA now serves 31 churches across the Northern Neck of Virginia. Dr. Cain has led this organization since 2018, and it has benefited greatly from her leadership.

As Moderator, Dr. Cain established NNBA Committees on Land Acquisition and Social Justice. Additionally, she worked tirelessly with the Baptist General Convention of Virginia and the Lott Carey Baptist Foreign Mission Convention. Under Dr. Cain's leadership, NNBA also received a grant for its Tutorial Advocacy Program. Dr. Cain's impressive dedication and leadership guided NNBA throughout both the COVID-19 pandemic and a time of unrest in the community.

A former teacher, Dr. Cain found her calling in ministry. She is the founder and pastor of Abiding Faith Baptist Church in Kilmarnock, VA. Previously, Dr. Cain served as president of both the Northumberland and the Lancaster Ministerial Associations. In her free time, Dr. Cain enjoys salt-water fishing and spending time with her eleven grandchildren and seven great-grandchildren.

Madam Speaker, I am thankful for Dr. Cain's service to both the Northern Neck Baptist Association, Inc., and the entire Northern Neck community. Her sacrifice, commitment, and dedication are truly extraordinary, and it is my honor to recognize Rev. Dr. Barbara Cain today.

HONORING MR. CLYDE MOODY
SIEBMAN

HON. PAT FALLON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. FALLON. Madam Speaker, Clyde Moody Siebman—a purveyor of Texas history, self-anointed Cowboy, avid gun enthusiast, legendary lawyer, loving husband, father, grandfather, son, brother, uncle, cousin, and friend—died March 4, 2021. Though his sudden departure leaves a profound void across many spectrums, it was in keeping with

Clyde's lifelong wish to “break and not rust” when his time came for the Lord to call him home.

Born November 26, 1958, in Sherman, Texas, Clyde spent his early years in the nearby town of Pottsboro. His family then moved to Plano, Texas, for his father's employment before Clyde graduated from Plano Senior High School in 1977. He attended Southern Methodist University (SMU), where he earned a dual undergraduate degree in Business Administration and Psychology in 3½ years and then a Juris Doctor in 1984 on a full scholarship. He earned many distinctions during college and law school, including a Departmental Distinction in Psychology for his work to address mental competency and the law.

While in law school, Clyde met Carol Ann Mumm, a fellow SMU law student. They married the year after graduation and were blessed with a beautiful 35-year marriage. They practiced law together before Carol became a judge and were the proud parents of beloved daughter, Elizabeth Forrest, who followed in their footsteps, became a lawyer, and is now a named partner in the firm her father co-founded—Siebman Forrest LLP. Clyde's niece, Becca Skupin, joined the firm in 2019.

Clyde's 35-year legal career earned him the well-deserved recognition of being one of the top lawyers in the state of Texas. Board Certified in Civil Trial Law by the Texas Board of Legal Specialization, Clyde had been included in the annual Texas Super Lawyers list published by Thomson Reuters legal division in Texas Monthly magazine since the list debuted in 2003. He maintained an “AV” Peer Reviewed ranking (very high to exemplary) by Martindale-Hubbell for over two decades, and he earned selection to The Best Lawyers in America based on his expertise in Patent, Trademark, Copyright and Commercial Litigation. Clyde was named the 2018 Lawyer of the Year for Patent Litigation and 2020 Lawyer of the Year for Copyright Litigation in Dallas-Fort Worth in The Best Lawyers in America.

Clyde began his federal practice serving as a law clerk to the late United States District Judge Paul Brown. He traveled throughout the district alongside Judge Brown while serving the Sherman, Texarkana, and Beaumont Divisions of the Eastern District of Texas. Clyde has appeared as counsel in more than 500 Eastern District of Texas cases. In addition to maintaining a robust state court practice throughout his career, he regularly represented clients in the Northern and Western Districts of Texas and before the Federal Circuit and 5th U.S. Circuit Court of Appeals.

Clyde was a frequent lecturer on a variety of legal topics and regularly participated in prominent programs and initiatives, including the Eastern District of Texas Bar Association, New York Intellectual Property Law Association, the Sedona Conference, and the Leahy Institute of Advanced Patent Studies. He was also a member of the delegation of attorneys and judges that presented the first patent mock trial at Beijing University in China in 2012 where he delivered a presentation on U.S. trial practices at Southwestern University School of Law and Political Science in Chongqing, China. Clyde served as the current Chairman of the Bench Bar Conference of the Eastern District of Texas and as Chairman of the Advisory Committee for the Institute for Law and Technology of the Center for American and

International Law in Plano (formerly Southwestern Legal Foundation).

As he did in the legal arena, Clyde made a profound impact in public affairs. He was a Texas Elector in 2000, serving as a member of the Presidential Electoral College in one of the closest presidential races in American history. Clyde also served by way of gubernatorial appointment as Chairman of the Grayson County Regional Mobility Authority, Commissioner of the Red River Interstate Compact Commission, Member of the Board of Directors for the Red River Authority of Texas, and as Commissioner of the Red River Boundary Commission, where he played a key role in resolving the long-time boundary dispute between Texas and Oklahoma. Clyde also holds the unique distinction of being named as Conservator of the Riverbend Water Resources District by the 82nd Texas Legislature, helping to settle a decades-long legal battle over water issues in East Texas and Southwest Arkansas. He also played a pivotal role in the transition of both Grayson County and the state of Texas from Democrat to Republican-held majorities. Though a life-long conservative, Clyde was also respected for working across the political aisle when it served the public interest.

Despite his many prominent roles, Clyde is probably best known for his personal generosity, fun-loving spirit, and willingness to help others, both great and small. His greatest pleasures were hosting gatherings for family and friends, barbecuing, stomping around the woods, shooting guns, collecting Texas historical memorabilia, and travel adventures, whether planned or spontaneous. He and Carol gave generously to countless charitable organizations, including the Christian Global Missions, True Options Pregnancy Center, and Preston EMS, among others. They were also long-time members of the Church of Christ in Sherman and in Pottsboro.

Clyde is survived by his wife, Carol Siebman, daughter Elizabeth Siebman Forrest and her husband, John Forrest, and granddaughter Kendall Adele. He is also survived by his mother, Carol Sue Siebman, mother-in-law Florence Mumm, sister Annette Siebman Skupin, whom he loved very much, and her husband Jon Skupin, nieces and nephew Becca, Katie and Sam Skupin, nephews Joseph and Jake Mumm and their respective spouses Kristin and Jessi and children Parker and Joy, Aunt and Uncle James and Clydene Short, and a host of cousins who he remained close with through his life—CB Pippin, Jim Pippin, Robin Towery, Melanie Qualls, Randy Short, and a host of friends and colleagues who will miss him very much. He is preceded in death by his father Newell Siebman and brother-in-law John Mumm.

IN RECOGNITION OF THE LATE
RUSH LIMBAUGH SHARING JIM
PATTERSON'S COLUMN ON AIR

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. ROGERS of Alabama. Madam Speaker, I rise to bring attention to Jim Patterson's column being read by the late Rush Limbaugh.

When friends called to tell Alabamian Jim Patterson that Rush Limbaugh was reading

his column for The Hill to his radio audience, Patterson thought it was a joke.

Later, Patterson found the transcript and audio of the broadcast on Mr. Limbaugh's website. Patterson listened to the biggest name in Talk Radio read his work, "Congress Must Lead on Security as Obama is Irrelevant." Jim Patterson remains greatly flattered that El Rushbo read his Alabama Dittohead's work to his 50 million listeners. I include in the RECORD the original column below:

CONGRESS MUST LEAD ON SECURITY AS OBAMA IS IRRELEVANT

(By Jim Patterson, Jan. 14, 2015)

THE VIEWS EXPRESSED BY CONTRIBUTORS ARE THEIR OWN AND NOT THE VIEW OF THE HILL

The utter failure of the Obama administration can be measures in so many ways, from the number of beheaded American journalists, to embarrassing heads of state by spying on German Chancellor Angela Merkle's personal mobile phone, to callously calling Israeli Prime Minister Benjamin Netanyahu, a war hero, "chicken shit" and a "coward."

Secretary of State John F. Kerry, a longtime member of the Senate Foreign Relations Committee, suggests Israel is an apartheid state. By supporting Hamas and its ally the Palestinian Authority, Obama and Kerry have threatened the lives of Jews around the world in the name of human rights for terrorists.

He doesn't realize Gaza is occupied by terrorist Hamas intent on killing Israeli children until they destroy the Jewish state. Kerry thinks Tweeting will stop the Russian war on the Ukraine. America is without a foreign policy at a dangerous time.

Obama and Kerry sit on their hands as international cyberattacks proliferate raising security costs for U.S. corporations and small businesses, and prices for consumers. They allow cyberterrorists to steal national security data and threaten the White House, NATO, the National Security Agency, the Defense Department and other government agencies.

Due to Obama's total inaction, the U.S. is great risk of a crippling cyber doomsday, a day when there is no Internet. The president gets tough on nuclear enabled North Korea for hacking a worthless Hollywood film, while he does nothing to prevent such attacks on the national security of our nation and military, diplomatic and industrial assets abroad.

Our country is leaderless on security. Voters realized this in November and voted for change in Congress. Voters want Congress to reverse the leaderless Obama administration with strategies to prevent the continued decline of the United States that Obama is helpless to address.

Both Obama and Kerry refused to participate in the Paris rally for liberty in the wake of radical Islamic terror attacks on press freedom. What are their priorities? They won't participate with the civilized world by declaring war on radical Islam. What are their values? They are inviting more vicious killings of journalists and freedom loving people around the world by doing nothing.

Americans, including this writer, symbolically voted for an African American president in hopes he could lead our country nationally and internationally and that he could put to rest lingering racial issues.

Racial tensions are greater today than in the 1960's. The world is on the brink of disaster.

The Obama administration is asleep. The president doesn't want to wake up until his term is over so he can proclaim his great single accomplishment: Being the nation's first African American president.

His record is void of any substantive accomplishments.

Congress has considerable work to do bring our nation back from the brink of Obama's multiple leadership disasters. I am confident Senate Majority leader Mitch McConnell (R-Ky.), House Speaker John Boehner (R-Ohio), and the growing rank of Democrats disgusted by what Obama has done to our country and the globe can reverse course.

Congress must realize Obama is no longer relevant. He has wasted his opportunity to lead. He has lost the confidence of the American people and world leaders. It is Congress that must lead.

In 1980 presidential candidate Ronald Reagan debating President Jimmy Carter while the economy was in shambles with record unemployment, record interest rates, and with our nation seen as an international laughingstock, told America he was a leader who had a plan to bring the country back. Recovery, candidate Reagan told the American people, is when Jimmy Carter loses his job.

President Reagan delivered on his promises. Obama has failed.

Congress must act immediately to secure our country from further cyberattacks and threats to Americans and assets at home and abroad.

But real security will not be restored until Obama loses his security badge to enter the White House. That day cannot come too soon.

Patterson, a former Washington diplomat, is a San Francisco-based writer and speaker.

Madam Speaker, please join me in recognizing Jim Patterson and his column being read on air by the late Rush Limbaugh.

INTRODUCTION OF HOUSE RESOLUTION ON POSTAL SERVICE CONTRACT

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Ms. KAPTUR. Madam Speaker, I rise to introduce a resolution expressing deep concern with the U.S. Postal Service's misguided decision to issue a contract for new delivery vehicles that fails to meet our nation's economic and climate goals. The Postal Service owns and operates the largest civilian vehicle fleet with over 200,000 vehicles. Unfortunately, most of the fleet vehicles date back to 1994 and are fuel inefficient, unsafe, carbon emitting and aging.

Our nation owes a debt of gratitude to the letter carriers and all postal workers who must face down these challenges all while carrying out the herculean, constitutionally mandated task of delivering mail to all addresses.

Yet, major GOP donor, Postmaster General DeJoy recently announced that while the Postal Service will procure up to 165,000 vehicles, only ten percent will be electric powered. Instead of building up the Postal Service, DeJoy has taken a wrecking ball to the institution, including during the 2020 presidential elections.

I am thankful that President Biden has taken executive action to ensure our nation is meeting our climate goals by creating good paying green jobs here in the United States. Tragically, the USPS decision takes a major step backward.

That is why this resolution strongly urges the Postal Service to freeze the contract until

a review can be undertaken to ensure there was no undue political influence and that the contract is consistent with President Biden's executive order and the Paris Climate Accord.

We cannot squander this opportunity to develop green supply chains here at home that will ensure a cleaner, more stable future for a burgeoning 21st century domestic vehicle industry.

I urge all my colleagues to support this resolution.

COMMITTEE ON HOUSE ADMINISTRATION COMMITTEE RESOLUTION 117-10

HON. ZOE LOFGREN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Ms. LOFGREN. Madam Speaker, as Chairperson of the Committee on House Administration and pursuant to section 3 of Committee Resolution 117-10, a Resolution to Establish Procedures in Contested Election Cases Properly Filed Under the Federal Contested Election Act, I am hereby including in the RECORD a copy of the Committee Resolution.

COMMITTEE ON HOUSE ADMINISTRATION

A Resolution

117TH CONGRESS

Committee Resolution 117-10

RESOLUTION TO ESTABLISH PROCEDURES IN CONTESTED ELECTION CASES PROPERLY FILED UNDER THE FEDERAL CONTESTED ELECTION ACT

Be it resolved, that the Committee on House Administration, under the authority of clause 1(k)(12) of rule X of the Rules of the House of Representatives and in accordance with the Federal Contested Election Act, 2 U.S.C. §§381-396, sets forth the following procedures to be followed by the Committee for contested election cases in which written notice of intention to contest an election has been properly filed with the Clerk of the House of Representatives.

PROCEDURES IN CONTESTED ELECTION CASES PROPERLY FILED UNDER THE FEDERAL CONTESTED ELECTION ACT

SECTION 1. FILINGS BY CONTESTANT AND CONTESTEE.

(a) Filing Authorization.—No pleading, motion (other than a motion for leave to file), brief, or other paper may be filed by either party unless expressly authorized or directed by the Federal Contested Election Act, or by the Committee, the Chairperson, or a task force of the Committee.

(b) Contestant's Response.—If a contestee files a motion under 2 U.S.C. §383(b), the contestant may file a response. The contestant shall file and serve the response as soon as practicable, and no later than 21 days after service of the contestee's motion or 21 days after issuance of these regulations, whichever is later. The response must not exceed 13,000 words. If filed and served before issuance of these regulations, a contestant's response that complies with this word limit shall be deemed authorized notwithstanding subsection (a).

(c) Contestee's Reply.—If a contestant files a response as described in subsection (b), the contestee may file a reply. The contestee shall file and serve the reply as soon as practicable, and no later than 7 days after service of the contestant's response or 7 days after issuance of these regulations, whichever is

later. The reply must not exceed 6,000 words. If filed and served before issuance of these regulations, a contestee's reply that complies with this word limit shall be deemed authorized notwithstanding subsection (a).

(d) Word Limits.—Except as expressly provided by the Committee, the Chairperson, or a task force of the Committee, a motion or brief must not exceed 13,000 words, except for a reply brief, which must not exceed 6,000 words: The word limits do not include any cover page, table of contents, table of authorities, certificate of counsel, signature block, proof of service, or affidavit, or other exhibit. The word limits do include headings, footnotes, and quotations.

(e) Hearing on Papers.—The Committee shall hear and decide any motion under 2 U.S.C. §383 on the papers, without conducting oral argument or a hearing.

SEC. 2. FURTHER BRIEFING BY CONTESTANT AND CONTESTEE.

(a) If the Committee denies a contestee's motion under 2 U.S.C. §383(b) or postpones its disposition, the Committee, the Chairperson (following consultation with the ranking minority member), a task force of the Committee, or the Chairperson of a task force (following consultation with its ranking minority member) may request that each party file and serve no later than 10 days after notice of that action a brief that:

(1) expresses the party's views and answers any specific questions asked by a request made under this subsection about specific procedures, legal principles, and timelines that should control the course of the contested election case and facilitate the case's disposition; and

(2) explains how the party's views and answers in paragraph (1) comport with the Constitution, the Federal Contested Election Act, precedents of the House of Representatives, and any other applicable authorities.

(b) A brief filed by a party under subsection (a) must comply with the limitations for a brief under section 1(d).

HONORING THE LIFE OF DAVID WOOLLEY

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2021

Mr. COURTNEY. Madam Speaker, it is with great sorrow that I rise today to mourn and recognize the passing of a bastion of the town of Old Lyme, Connecticut and a devoted fam-

ily man, Mr. Dave Woolley. After living a rich life not with material possessions, but rather with friendship and compassion for all, Dave passed away peacefully on January 30, 2021.

Born and raised in Longmeadow, Massachusetts to Doris and Harry Woolley, he moved on from the state shortly after graduating from University of Massachusetts, Amherst with a bachelor's in business administration in 1955.

After enlisting in the Navy and honorably serving his nation, we in Connecticut became blessed with his giving nature when he began a new chapter in his life in Hartford, Connecticut. Employing his degree from UMass Amherst, David first started as a bank officer with Hartford National Bank & Trust Co. His intelligence and judgment made him a success administering business loans within the community first in Hartford and then to a new position at the Plainfield Bank & Trust Co. in eastern Connecticut and then Washington Trust in Westerly, Rhode Island. He retired in 2009.

While he was rightfully proud of his work—as demonstrated by more than 52 years of dedication to his profession—it was never meant to be his full purpose in life. Always the delightful extrovert, he employed his time outside of the job to establish the strongest of ties in his local community—which to Dave also meant expanding family ties. He moved permanently to his Old Lyme home in 1989 where he formed a loving connection to his constant friend and companion, Beverly Curry. The two of them together in this idyllic shoreline town were a constant presence in civic, political and charitable events. As a candidate for Congress, I was lucky enough to benefit from their popularity and community connections when they tirelessly supported my candidacy year in and year out.

Throughout and prior to his permanent residence in Old Lyme, David was heavily involved in numerous organizations throughout the region and state. Most notably, he served 11 years as a board member to the Connecticut Police Academy; 20 years as an affiliate of then State Chairman for the American Heart Association of Connecticut; and more than 45 years as a member across five different chapters in the Rotary Club. Ending his tenure as a member of the Niantic Rotary, it should not go without mentioning his service as President of two of the Clubs, partially leading him to earn the Paul Harris Award—the highest accolade presented by the Rotary Club.

Always a force of altruism, Dave's commitment to creating a stronger community truly took off once he connected his financial aptitude with the township of Old Lyme. Beginning in 1994, Dave joined a local party organization and was elected shortly thereafter to the Board of Finance in 1995. He served in the capacity as a finance specialist, helping to run the budgets for the town's essential services. His leadership in the town was clear and long lasting as he was also elected Chairman to the same local party in 2002. Dave led and constructed a strong party infrastructure that would become this fundamental part of the community, establishing hallmark fundraisers and further devoting his tenure to expanding

the locality's electorate. He served in these roles until his latest days, staying active even after fully stepping down from leadership positions in 2019.

Having dedicated a life of spreading faith in the most local ties, the strength of Dave's interest in family and friends could not be emphasized enough. Dave was an incredible listener and always made time for people, making him destined from the start to bring a brand of dignity to his community and by extension, his family. His memory continues on through a long list of individuals: his partner Beverly; son and daughter-in-law Michael and Patricia Woolley and grandchildren Katherine and Alexander; stepchildren Laurie, James, David, Steven and their families; as well as his sister and brother-in-law Patricia and Michael Cronin.

Madam Speaker, it is an honor to represent constituents as honorable and impactful as David. While we all mourn his loss, we can at least find solace that his story, memory and purpose lives on through countless others. I ask that the entire House join me in recognizing the life of David Bronson Woolley, also never forgetting the importance of building our connections with others.
